

NUFFIELD
NEW ZEALAND
FARMING SCHOLARSHIPS

**Global vision,
leadership and
innovation**

5 scholarships per year
12 month programme
16 weeks of global immersion

A Nuffield Scholarship is one of New Zealand agriculture's most valued and prestigious awards for emerging industry and rural community leaders, enhancing their global agri-food understanding and networks.

A Nuffield Scholarship programme is a unique experience that opens doors to some of the most innovative global and agri food companies and businesses. Scholars gain a pan sector industry understanding and knowledge. An experiential leadership programme - scholars are involved in organised and self driven components including:

- Attending a Contemporary Scholars Conference (CSC) over 8 days with all other current Nuffield Scholars from around the globe.
- Participating in a 6 week Global Focus Programme (GFP) travelling to 5-8 countries, with 8-10 other international scholars learning about global agri-food systems and contexts.
- Completing a minimum of 8-10 weeks travel overall, to research a relevant and current complex problem or opportunity.
- Crystallising their insights by producing an industry focused report.
- Presenting and leading industry and alumni discussion and debate on report findings and recommendations to encourage and create change.

Note: The 2021 Global Focus Programme may be adapted to as a result of COVID19.
